

Joint Statement of DMUSD PTA Presidents

September 4, 2020

Dear DMUSD Families-

We are grateful for your support and dedication to your students and teachers during this challenging time. Our efforts to sustain educational programs and resources at each of our schools thrives because of you!

So, on behalf of our respective PTAs, we wanted to reaffirm some important commitments to all of you:

1. Our PTAs are committed to all school families in our district, whether their children are attending In-Person or in Launch.
2. Each school still will have one PTA, for all families.
3. PTA Membership is still open and active this year at each school. We strongly encourage families to join the PTA at their school of residence, or "home school."
4. All PTAs will support teachers with mini-grants again this year, for both In-Person and Launch teachers, and for STEAM+ teachers. (Minigrants are grants from PTA to every credentialed teacher in the school to purchase school supplies, resources, technology, equipment and more). To ensure the fullest funding of mini-grants, please be sure to join the PTA at your home school.
5. All our events, whether online or eventually in-person, will include all school families, In-Person and Launch.

Thank you for supporting the PTA and our students and teachers.

Sincerely,
